Salary: 55,000/1.0 FTE

Reports to: Program Manager

General Duties:

- Facilitate selected evidence based sexual health education workshops with fidelity across the state of Michigan
- Work closely with implementation/recruitment sites to recruit workshop participants and plan workshop implementation
- Coordinate and facilitate youth advisory council, or equivalent, with purpose of informing the SHARE program and connecting with similar youth councils in five other program states
- Participate in stakeholder engagement activities and needs assessment meetings
- Identify and coordinate additional supportive services for youth and parents in collaboration with Subgrantees
- Staff the OkaySo texting platform during agreed upon hours and in coordination with 10 other SHARE state implementation specialists from across 5 other states
- Work closely with MOASH communications manager and implementation/recruitment sites to publicize workshops and other opportunities to engage with the program
- Provide and/or coordinate data collection as required and participate in data review, including possibility of serving as MIP Lead
- Assist with training and technical assistance for professionals, including local site staff, as needed
- Meet required reach for program participants annually
- Other duties as assigned

Qualifications

- At least two years of related experience, including experience providing sexual health instruction and/or working with community-based organizations or agencies with adolescent instruction
- Youth facilitation experience

- Skilled in coordinating with caregivers, schools, and community partners
- Ability to identify gaps in curriculum to best suit the needs of target populations (LGBTQIA+ youth, rural youth, youth of color)
- Training in or certified to train in effective sexual health interventions is a plus
- Excellent time management and organizational skills, including attention to detail
- Excellent communication skills, including public speaking and written word
- Able to work both independently and as a team
- Reliable transportation to travel to implementation sites
- Commitment to MOASH's mission
